Customer's obligations:

- 1 The customer has an obligation to maintain secrecy in regard to Username & Password registered with the Bank. The bank presupposes that login using valid Username and Password is a valid session initiated by none other than the customer.
- 2 Transaction executed through a valid session will be construed by Bank to have emanated from the registered customer and will be binding on him/her.
- 3 The customer will not attempt or permit others to attempt accessing the 'Internet Banking' through any unlawful means.
- 4 The customer should maintain minimum balance as prescribed by the Bank and pay all the services charges as decided by the bank from time to time for transaction facility provided in the internet Banking.

Do's & Don'ts:

- 1 The customer should keep his/her Username/Password and OTPs strictly confidential and should not divulge the same to any other person. Any loss sustained by the customer due to non-compliance of this condition will be at his/her own risk and responsibility and the Bank will not be liable for the same in any manner.
- 2 The customer is free to choose a password of his/her own for Mobile Internet Banking services. As a precaution a password that is generic in nature, guessable or inferable personal data such as name, address, telephone number, driving license, date of birth etc. is best avoided. Similarly it is a good practice to commit the password to memory rather than writing it down somewhere.
- 3 It may not be safe to leave the computer unattended during a valid session. This might give access to your account information to others.
