

Madhya Pradesh Rajya Sahakari Bank Mydt.

Ques. What is Bharat Bill Payment System (BBPS)?

Ans. Bharat Bill Payment System (BBPS) is a product of the National Payments Corporation of India (NPCI). BBPS is an integrated Bill Payment System which offers payment service for Interoperable or Utility Bill Items such as Domestic Gas, Water, Electricity, Telephone, Mobile Postpaid Bills, DTH, FASTag Recharge etc. to the customers of the Bank through Mobile App / Web portal as well as through Branches.

Ques. How do I recharge through BBPS ?

Ans. You can make Recharge / Bill Payment using BBPS via following ways :-

1. Online Payment :

- i. **Through Bank's Mobile Banking App** - You can make Recharge / Bill Payment through New Mobile Banking App of Apex Bank. For more details, visit Bank's Website – www.apexbank.in.
- ii. **Through the Website** – You can register yourself as a **Customer** on the Portal by clicking on the option “Recharge/Bill Payment (BBPS)” under the Online Banking tab of the Apex Bank Website (www.apexbank.in). After registering, you can login and make recharges or pay the bills as per the available options.

2. Offline Payment :

- i. **Through Branch** - If you wants to recharge or pay the bill through the Branch of the Apex Bank, you can pay the bill or recharge through Cash or Account Fund Transfer by visiting the Branch.
